Ospreys: A Natural and Unnatural History
Alan F. Poole

"Alan Poole has taken our favorite bird and put it in global perspective... a tremendous job. Be sure to get it." —*Roger Tory Peterson*

An up-to-date look at the natural history and status of a bird that has become a major symbol of international bird conservation. It is illustrated by many photographs and by specially commissioned line drawings by a noted bird artist.
1988 / 250 pp. / 30623-X / Cloth $27.95
